Anno 1988 nasce il GHIBLI, e subito è Campione del Mondo. Appena nato è già il fuoristrada da battere.

Frutto di anni di esperienza e corse del più grande produttore di automodelli off-road 1/8 del mondo, significa avere il massimo del momento e la immediata disponibilità dei pezzi di ricambio.

Il gran numero di automodelli off-road Mantua Model Group, presenti in tutto il mondo significa fiducia assoluta nella competenza e serietà della Mantua Model Group.

Il titolo di Campione del Mondo 1988 è giunto quindi a conferma delle doti competitive del mezzo.

Il prezzo competitivo, frutto di una tecnologia produttiva d'avanguardia, rende questo off-road sofisticato, accessibile a tutti.

Year 1988: the GHIBLI came into the world & it was immediately the World Champion Car. Result of the experience of the several races of the world largest manufacturer of gas cars, it offers the best possible performance with the largest availability of spares; the kit contains all race optional & for this reason it is the less expensive model on the market.
